

CLIMAAX Resilience Agora: Navigating towards more Climate Resilient Regions

Setubal, Portugal

31 January

HORIZON-MISS-2021-CLIMA-02-01 - Development of climate change risk assessments in European regions and communities based on a transparent and harmonised Climate Risk Assessment

AGENDA

Join us on an informative journey during our upcoming CLIMAAX Webstival! Delve into interesting keynote presentations, dynamic roundtable discussions, and first-hand insights from the CLIMAAX pilot regions. Explore how CLIMAAX addresses the challenges posed by climate change, evaluates applications to the open call, and shares invaluable lessons for more climate-resilient regions. Join us for this immersive event shaping climate-resilience strategies!
