

## Community of Practice webinar: Mobilizing Finance for Climate Risk Assessment and Adaptation

---

**Date:** Thursday, 22nd May

**Time:** 10:30 – 12:00 CEST

**Platform:** [Zoom](#)

### Description

Accessing finance is one of the key challenges for conducting climate risk assessments and implementing adaptation. This event will explore funding opportunities, financial instruments, and practical tools to navigate adaptation finance supporting climate risk assessment and resilience-building efforts. Contributions from MIP4Adapt and Mission Adaptation projects, including Pathways2Resilience (P2R), CLIMAAX, and NATURANCE will offer guidance on available resources and strategies for mobilizing finance. Upcoming funding opportunities for regions engaged in climate adaptation will also be presented.
